

Primary Care Provider Selection Form

It is important that you select a Primary Care Physician (PCP) when you enroll in UniCare. You may change your PCP at any time. To find a PCP, use the UniCare Provider Directory or the online tool, Find A Doctor, at www.unicare.com.

INSTRUCTIONS

- Please complete the form below and give it to your PCP’s office or return it to UniCare by faxing it to **1-888-438-5209**. Attach extra sheets if necessary. The change will become effective the day UniCare receives your fax.
- You may also call the UniCare Customer Care Center at **1-800-782-0095** or, if you have speech or hearing loss, please call the TTY line at **1-866-368-1634**.

NOTE: We must receive your request before getting services from the PCP you choose. UniCare will mail new ID cards 7-10 business days after receipt of request.

IMPORTANT: Please check this box if you are pregnant.
