UniCare Health Plan of West Virginia, Inc. (UniCare) will conduct medical necessity reviews for the drugs listed below on or after August 15, 2016.

Drugs to require medical necessity review:

- Nplate (J2796)
- Adcetris (J9042)
- Kalbitor (J1290)
- Mozobil (J2562)
- Berinert (J0597)
- Arzerra (J9302)
- Cinryze (J0598)
- Arcalyst (J2793)
- Ilaris (J0638)
- Iluvien/Retisert (C9450)

What this means to you

Effective August 15, 2016, these drug requests must be reviewed by UniCare for prior authorization (PA). Please submit all required clinical information at least seven calendar days before the requested procedure to allow a thorough clinical analysis.

You may request PA by submitting complete clinical information to UniCare by:

- Phone: **1-877-375-6185**
- Fax: **1-855-875-3627**

Requests submitted with incomplete clinical information may result in denial.

How do I find precertification and code-specific requirements?

All precertification requirements are not listed here. For more precertification requirements, visit **www.unicare.com** and select **Providers**. Under the *Resources for* menu, select **State Sponsored Plan providers** and then select **West Virginia – Medicaid Managed Care**. Select the appropriate document from the **Authorization and Preservice Review** menu.

What if I need assistance?

If you have questions about this communication, received it in error or need help with anything, contact your Provider Relations representative or call our Customer Care Center at **1-800-782-0095**.
