

## Prior authorization requirements for Sublocade

Effective February 1, 2019, prior authorization (PA) requirements will change for the infusible/injectable drug Sublocade to be covered by UniCare Health Plan of West Virginia, Inc. Federal and state law, as well as state contract language and Centers for Medicare & Medicaid Services guidelines, including definitions and specific contract provisions/exclusions, take precedence over these PA rules and must be considered first when determining coverage.

**Noncompliance with new requirements may result in denied claims.**

### PA requirements will be added to the following:

- Sublocade — implant (J0570)
- Sublocade — injectable (Q9991, Q9992)

### To request PA, you may use one of the following methods:

- **Fax: 1-855-402-6983**
- **Phone: 1-866-655-7423**

Not all PA requirements are listed here.
