Provider coding education (CME/CEU)

Webinars and on-demand trainings are now available!

You can access all provider coding education events for UniCare Health Plan of West Virginia, Inc. with one easy, convenient link: <https://qr.go.page.link/SWCgD>. We will add new topics to the training page, so please check it often. Enjoy informative webinars designed specifically for network providers, coders, billers and office staff. A variety of helpful and educational topics relating to coding and documentation, claims and billing issues, member care, quality measures, and more are available.

Live events: Each live training webinar event awards one unit of continuing education.

On-demand events: A library of recorded webinars is available for your convenience, which is a great way to stay updated on relevant information. After registering, you will receive a confirmation email with details and a password. Currently, we offer continuing medical education (CME) only for on-demand events.

Upcoming topics include:

- Improving the patient experience.
- 2021 CPT® coding changes.
- Additional topics forthcoming.
